originally published in 1988 the castles in england and wales is a comprehensive

treatment of the archaeology of the castles in england and wales the books looks at how following the norman conquest one of the most characteristic structures of the english landscape the castle was used to control and survey the population in its simplest definition a castle is a fortified habitation however this book looks at the many uses of castles from their most primitive kind intended only for periodic use or as magnificent decoration such as caernarvon and other welsh castles of edward i it is essential reading for all archaeologists and historians alike

in this book the new testament scholar gerhard lohfinck interprets a spectrum of biblical texts some familiar others not he explores them in a spirit of curiosity questions them insistently and confronts them with the realities of our present day from covid 19 to the inner loneliness experienced by so many in light of central biblical texts lohfinck asks what would a life look like today if it were wholly in the world and at the same time wholly in god sweeping joyously between heaven and earth aware of the immeasurable breadth of the universe and still able to marvel at the tiniest flower knowing the depths of the human heart and being comforted by a child s smile this book takes up the colorful threads of many old and new testament texts and weaves from them a many hued tapestry of biblical theology it reveals things unknown sheds new light on things known and is full of surprises it speaks not only to the curious or the ones who want to know more about the christian message it is addressed to everyone who senses a desire to understand the bible better and more deeply
